

Barrels Community Market

74 Main St., Downtown Waterville

207-660-4844

Membership Information

Our Mission

Barrels Community Market buys and sells food, crafts, and tools that are produced locally and sustainably from naturally occurring inputs whenever possible. We also host events and classes designed to promote individual and community health, teach traditional arts and skills, and celebrate the unique spirit of our community and land.

Our Goals

- To support local farmers and craftspeople by providing an outlet for their products;
- To provide local, affordable goods to the greater Waterville community;
- To revitalize Downtown Waterville through an emphasis on local productivity; and
- To offer diverse educational and community involvement opportunities for any interested community member.

Yes! I would like to become a Member of Barrels Community Market!
